**Eligible to work in Singapore:** Yes

## Work Experience

---

### **Front-End Developer (E-Commerce)**

Novena Furniture Singapore - Singapore

November 2020 to Present

As Novena's Front-End Developer, I build and manage their E-Commerce website, focusing on User Interface/ User Experience (UI/UX), as well as product inventory management. I have practical experience in HTML, CSS (and SCSS), JavaScript, React and Shopify (Liquid).

### **Infantry Platoon Commander**

Singapore Armed Forces - Singapore

December 2019 to November 2020

As an infantry platoon commander in the army, my work involves the planning and execution of day-to-day training, turning recruits into operationally-ready infantry soldiers. Apart from organising military training, I also participated in regional diplomatic efforts, such as training trips in Brunei and Taiwan, and the hosting of delegates from foreign militaries at the Singapore Armed Forces Training Institute (SAFTI).

In August 2020, I was selected to attend to Company Tactics Course and Advanced Infantry Officer Course in preparation for the role of an infantry commander during reservice.
